STUDIO PROFILE

The Charlotte Klein Dance Center, located at 1122 Pleasant Street, Worcester, Massachusetts, has three spacious well-equipped dance studios and a faculty of professionally trained qualified teachers. We also have a branch studio in Cherry Valley. A complete program of dance education for children, teens and adults and a professional program for the student interested in intensive dance study is provided. A six-week program of dance, mime, theater and voice will be offered this summer.

Mrs. Klein, artistic director of the dance center, has a B.A. degree in Sociology from Worcester State College. She is a past president of the New England Chapter of the Dance Masters of America, an international organization of certified dance teachers. She has presented a seminar on pre-school dance education at Kent State University in Ohio for the Dance Masters of America Teacher Training School. She was on the faculty at their national convention in Houston, Texas. Her other memberships include the Dance Teachers' Club of Boston and the Worcester Ballet Society. These affiliations provide her with the knowledge of the latest dance techniques and give her students the opportunity to study with outstanding teachers of the performing arts.
